Maple 07  
K3-HS381  
**Valley Meadow Bed**  
Available in: Twin, Full, and Queen

All Stuart David products have a multi-step finish. A multi-step finish involves sanding, staining, shading, glazing, and polishing - just to name a few. You can see and feel the protective beauty and choice of many rich colors.

\*Wood grain & color will cause staining variations, which we are unable to warranty\*

## Care Instructions

Those who select Stuart's Furniture enjoy years of beautiful use with minimal care. Maintain the beauty of the finish by protecting it from wear, spots, spills and by keeping it clean and dust free. Dust regularly, rubbing in the direction of the wood grain with a lint-free, absorbent cloth moistened by a few drops of furniture polish to keep this furniture looking its best. Avoid exposure to strong sunlight, which causes discoloration. Lift objects carefully; avoid dragging them over the wood surface. Avoid extreme heat and cold. Do not use polish remover hair spray or perfume near the furniture as this may damage the finish. Rubber or plastic products can sometimes cause a chemical reaction, which may deteriorate the finish. Do not use products containing silicone.
