**NOTE:**

Upon request, we will change the vertical values (X & Y) as well as the horizontal values (A & B & C) for no additional charge.

The **CONSOLE & BOOKCASE** (width, depth & height) may also be **REDUCED**.  
**Example:** if a 64" console is needed, order the 66" unit and request the modification at no additional cost. Further modifications may be requested via quote.

**Featuring:**

- Excellent ventilation in the console backs and shelves.
- Smart holes & cut-outs for easy wire management throughout.
- Three prong power harness.
- Adjustable shelves.
- Unique cut-out in console top and trim, returning to the piers.
- Lighting (upon request).

**Common Questions:**

- How wide should my console be in relation to my TV?
  - Keep in mind, most manufacturers require 4" all around the TV for heat diffusion.
- Can I hang my TV on the console upper?
  - Yes! The back panel of the upper is very sturdy, and locks into the bookcases as well as the console for a secure means of hanging.
- Can I order this system to fit into an alcove?
  - Possibly. Send in a quote request. Be aware that most clients will require some finish carpentry to complete the job to satisfaction.

**NOTE:**

Upon request, we will change the vertical values (X & Y) as well as the horizontal values (A & B & C) for no additional charge.

The **CONSOLE & BOOKCASE** (width, depth & height) may also be **REDUCED**.  
**Example:** if a 64" console is needed, order the 66" unit and request the modification at no additional cost. Further modifications may be requested via quote.

**Featuring:**

- Excellent ventilation in the console backs and shelves.
- Smart holes & cut-outs for easy wire management throughout.
- Three prong power harness.
- Adjustable shelves.
- Unique cut-out in console top and trim, returning to the piers.
- Lighting (upon request).

**Common Questions:**

- How wide should my console be in relation to my TV?
  - Keep in mind, most manufacturers require 4" all around the TV for heat diffusion.
- Can I hang my TV on the console upper?
  - Yes! The back panel of the upper is very sturdy, and locks into the bookcases as well as the console for a secure means of hanging.
- Can I order this system to fit into an alcove?
  - Possibly. Send in a quote request. Be aware that most clients will require some finish carpentry to complete the job to satisfaction.

**Sizing Info**
